

Forest- Massive Tree Planting Programme to increase the tree cover in Tamilnadu

While moving the vote on account for the Forest Department budget for 2011 – 2012 the Hon'ble Minister for the Forest made an announcement in the legislative Assembly that 64 lakh seedlings will be planted in all the 32 Districts of the state at cost of Rs. 30 crore to coincide with the Hon'ble Chief Minister's Birthday on 24.02.2012. Under this scheme it is proposed to plant 1.5 Lakh seedlings in Namakkal District . The seedlings will be planted in Government institutions, Private Institution, Office premises, Road avenue etc. The Choice of species suitable for Namakkal climate has been proposed and given as annexure. In order to take this message to public at large the details are put up on the website of Namakkal District. A Certificate for maintenance with choice of species & Nos. can be filled up by any individual or organization willing to take up planting and maintain.

The list can be sent to following address:

District Forest Officer,
Namakkal Forest Division,
Old Collector Bunglow,
Mohanur Road,
Namakkal.

For any further clarification the public can also contact at following nos. during office hours.

District Forest Office : (04286) 229369

Namakkal Range Office : (04286) 229411

The list of choice may also be send online by email addressed to dfonamakkal@Yahoo.co.in. The same may be confirmed by sending through post in order to avoid non serious mails.
